

Emperor/Empress dialogue

JASMINE: Hello father!

EMPEROR: Jasmine! I've been worried sick about you! Why did you leave your litter?

JASMINE: I just decided to go for a little walk father.

EMPEROR: But you might have been captured by bandits.

JASMINE: The only thing that has been captured, is my heart. **[sighs]**

EMPEROR: What do you mean Jasmine?

JASMINE: I've fallen in love father.

EMPEROR: What's his name?

JASMINE: His name is Aladdin.

EMPEROR: Then I will have him arrested and executed as an example to others.

JASMINE: No father, please don't! I love Aladdin!

EMPEROR: I didn't give you permission to fall in love Jasmine! Now, go to your room!

JASMINE: It's so unfair! **[exits crying SR]**
